**STATEMENT OF FACTS IN SUPPORT OF FILING ON BEHALF OF
NONSIGNING INVENTOR (37 C.F.R. 1.47)**

Box MISSING PARTS
Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

This Statement of Facts in Support of Filing on Behalf of Nonsigning Inventor (37 C.F.R. 1.47) is submitted in response to the Notice to File Missing Parts – Filing Date Granted and mailed March 2, 2001 to which a response was due May 2, 2001. However, Ms. Kathleen Duncan, one of the joint inventors of this application - the specification of which was filed on October 5, 2000, as Application Serial No. 09/679,854 - has been sent a copy of the application as filed and Declaration/Power of Attorney but has not returned her Declaration/Power of Attorney. Ms. Duncan's last known address was: 1007 South Grade, Santa Cruz, California 95060.

In view of Ms. Duncan's refusal to sign, this statement is made as to the exact facts that are relied upon to establish the diligent effort made to secure the execution of the Declaration by the nonsigning inventor for the above-identified patent application. Because signing on behalf of the nonsigning inventor is by a person or entity showing a sufficient proprietary interest, this statement also recites facts as to why this action was necessary to preserve the rights of the parties or to prevent irreparable damage.

This statement is supported by the Declaration of Mr. Gregory B. Gulliver copies of which are submitted herewith. This Declaration sets forth the details of the efforts to obtain Ms. Duncan's execution of the Declaration and Power of Attorney.

As to the preservation of rights/prevention of irreparable damage, this application was filed with the understanding that Ms. Duncan and the other inventors would execute the Declaration and Power of Attorney after filing. With respect to the co-inventor, Mr. Livingston, this did in fact occur. Ms. Duncan, on the other hand, has refused to sign. On March 2, 2001 the Office issued a Notice to File Missing Parts – Filing Date Granted, to which a response was due May 2, 2001. Of course, additional time can be obtained with the filing of a Request for Extension of Time and payment of the requisite fee. Even still extensions of time are only available up to and including August 2, 2001. Consequently, in an effort to resolve this petition prior to the expiration of that period, this Rule 47 petition is being filed today. Of course, failure to timely and fully respond to this NOTICE OF MISSING PARTS would result in the abandonment of the present application which would cause irreparable harm to Conexant Systems, Inc.
